

Ideal for outlets where full height storage is a necessity, without approaching the cost associated with a stainless steel cabinet. Despite being priced economically, these units are of true commercial construction offering high capacity and durability.

Climate Class T

Features

- Push-in / Pull-out door gasket
- Fan assisted interior on chiller units
- 5 adjustable shelves on CSC390 (fixed on CUF366)
- LCD Digital thermometer

Options

- Additional shelves for CSC390
- Reverse hanging of door
