

The most technologically advanced storage cabinets available today. Featuring an "intelligent" control and display panel which will help the user keep the machine running at maximum efficiency whilst providing information on how the machine is performing.

Climate Class T

### Features

- 304 Grade stainless steel interior and exterior
- High ambient operating temperatures of up to +43°C
- Mounted on castors, front castors are lockable
- Digital temperature controller and display
- Shelf slides to facilitate access to the cabinets
- Radiussed internal corners for easy cleaning
- Removable shelf supports for easy cleaning
- Door can remain open at 110° for ease of loading and unloading
- Fitted locks to all doors
- Full height integrated door handles
- Top mounted compressor and condenser for energy efficiency
- Push-in / pull-out gaskets for easy cleaning
- Internal drain plugs
- Heated cabinet trim

### Technical Specifications

Name	Dimensions	Internal Dimensions	Capacity CU FT (L)	Temp Range	Shelves per Cabinet
	W x D x H	W x D x H			
CCS658	740x795x2090	590x660x1430	23.0 (650)	-2 / +8°C	4
CFS658	740x795x2090	590x660x1430	23.0 (650)	-15 / -25°C	4
CFF658	740x795x2090	590x660x1430	20 Stone	-4 / +6°C	12 Boxes
