## Pipette Racks Manual

### Protects and organizes fragile pipettes

Angled four shelved compartments keep your 0.1 to 25 ml pipettes or cans within easy reach while preventing damage and clutter. Crystal-clear, heavy-duty acrylic model allows viewing from any angle. ABS plastic racks have cut-out windows and include two removable attachments that hold pipette bulbs, fillers, and pumps.

Cat No.	Description	Units
<b>ZXZHS20612</b>	Blue ABS Manual Pipette Rack, 4 Compartments	Each
<b>ZXZHS20614</b>	Green ABS Manual Pipette Rack, 4 Compartments	Each
