HAND CENTRIFUGE

Maintenance-free, bench-mounted, manual centrifuge

This convenient, manually operated centrifuge can be easily clamped to a bench or table - independently of an external power supply. Its self-lubricating gear makes it virtually maintenance-free.

It can be operated with two different rotors.

With rotor No. **1014** conical 15 ml tubes can be accelerated to 1,300 RCF.

Rotor No. **1025** also accommodates a variety of other commercial tubes (also with round bottom) up to 15 ml. Max. length of the tubes: 125 mm, max. diameter: 17 mm. Max. RCF: 1,076.

illustrated with rotor No. 1014
