Freezer compartment with CU models

- FrostSafe system with completely enclosed, transparent drawers
- Ice cube tray

Equipment benefits

- SwingDesign
- Interchangeable door hinges
- Slimline door handles
- Flush with wall and with front ventilation, suitable for installation in a row of kitchen units
- Adjustable feet at front, transport castors and handles at back

Liebherr's **NoFrost** appliance (CUN 3021) provide expert refrigeration technology for long-term freshness. The food is frozen with chilled re-circulated air and any humidity that is generated is expelled. As a result, the freezer is always free from ice and the food no longer frosts over. With NoFrost, defrosting is a thing of the past.

The elegant **GlassLine equipment** is tough, scratch resistant and easy to clean. The glass storage shelves are in satin finish. The attractive stainless steel trims enhance the overall harmonious look.
