

ECLIPSE Executive Seating

E926CA

E926

The Eclipse range of Executive chairs have distinctive looks and create the right image for the modern executive with it's quality appearance.

Available in a range of selected fabric colours as shown or in sumptuous black leather, Eclipse provides good support with a high back, deep seat and comfortable upholstered armrests.

Smooth adjustments are made on one lever which features a lockable tilt mechanism that can be adjusted to the weight of the user.
