STELLA®-Series

Liquid nitrogen „to go"

The STELLA®-Series –

robust vacuum super-insulated dewars for using your liquid nitrogen.

STELLA® — liquid nitrogen, wherever you need!

For mobile nitrogen-using

The STELLA®-line

- Flat bottom
- Stable and edge-protected
- Also available with blind flange

Design in different sizes and variants

- STELLA® – for open work in the laboratory
- STELLA® D – with cover for work in research and industry
- Special designs, e. g. with gas-tight welded-on stainless steel flange for connection to keeping-cold systems, e. g. detectors
