

SciQuip Incu S-Series

- Capacity 50ltr – 270ltr
- Temp ambient +5 to 65°C
- Microprocessor control
- Fully programmable
- Electro-polished chamber & shelves
- Timer or continuous
- Audible & visual alarms
- Password protection
- Large LCD screen
- Separate overheat safety protection
- Inner glass door

The SciQuip Incu S-series incubators are ideal for microbiological work, pharmaceuticals, cosmetics, food and general testing. The S-series incubators are fan assisted providing gentle air flow and excellent temperature uniformity. All parameters are displayed in the large LCD screen for fast easy operation and read-out. The SciQuip Incubators can store up to 9 programs of 18 steps, each program can be made to repeat from 1 to 99 times automatically. All S-Series incubators stand on feet, with the exception of the Incu-270S, which is on lockable castor wheels.
