

HM Series

Heating Mantles

The HM series are a range of controlled heating mantles, available in a range of sizes to accommodate round bottom flasks from 50ml to 1000ml. The entire range is constructed with a robust aluminium casing, making them tough and easy to clean. All units feature an integrated clamp rod fitting to enable secure fitting of a standard clamp rod. Non-slip feet are also fitted as standard. For added safety, all units feature an emergency cut out which will automatically trigger in the event of a spillage.

Stuart® HM Series Heating Mantles

- Controlled up to 450°C
- Range of sizes available
- Tough lightweight, easy to clean aluminium casing
- Integrated clamp fitting
