

## Ceti Magnum Infinity Trinocular Compound Microscope

**Product Code:** 2729.0000M

**Brand:** Ceti

Ceti's Magnum Infinity Trinocular Compound Microscope is used for Brightfield viewing in the field or in regions where power supplies are interrupted. Providing excellent quality images via the wide-field FN20mm eyepiece, this microscope comes with four Infinity Corrected Plan Achromatic objectives.

It features a robust, T-shaped base, designed to offer maximum stability. Modern, ergonomic features such as a 30° inclined eyepiece tube, ensure a comfortable viewing position over a prolonged period.

This model also comes with a bright, white LED light source with intensity control.

### Features:

- Sturdy base for comfortable viewing over long periods
- Wide-field 10X, FN20 eyepieces with dioptic adjustment
- Quintuple, reversed nosepiece with four Infinity Corrected Plan Achromatic objectives
- Wide range of accessories
- Bright, white LED illumination with intensity control
- Full Köhler illumination
