The **HM 6500 CDL (Foot Peal & Cable Operated with Cutter)** – Large Capacity Impulse Heat Sealer

Large capacity general purpose foot operated impulse sealing machine for industrial, warehousing & mail order applications.

Simple bench mounting or optional stand available.

This CDL model has a Dual Electronic Timer for complete control of the heating & cooling cycle, with a cutter to facilitate bag production from lay flat tubing.

It also has a cable operated foot pedal which allows increased flexibility of installation.

Another advantage is that the foot pedal is of a lever action design, which helps to minimise operator effort.

This machine is simple to maintain with consumable spares being easy to fit & available from stock.
